Company Profile

Lingua Incorporated is a Zimbabwean based Language services provider and a leading recognized translation, interpretation and language tutorials company. Our translation services are targeted to the Zimbabwean and international clients worldwide. We offer a price-competitive, professional, fast, customer-focused and quality-controlled service.

Through working with both small and multinational organizations and research of the local resource market, we have become a resourceful and flexible translation company with 20+ in-house best-choice professional translators and linguists and freelance language experts, consultants and terminologists, tutors specializing in almost any industry. Whatever your specific requirements are, we have an expert

for you!

WHAT WE DO?

The question would be what we don't do when it comes to language services, we do it all from:

- Corporate Document Translation,
- Website Localization,
- Interpretation: Simultaneous & Consecutive,
- Global Brand Management,
- Voice Over Services, Video Translation, Subtitling,
- Technical Translation Services

Mission:

To create a rapid, transparent, correct and seamless text, voice and gesture translation process to bring clients together with their customers and stakeholders worldwide, by listening, communicating and interpreting the way the message needs to be heard and seen.

We want to impart the same skills that we have to others so that we can all enjoy the blessing of being multi-lingual.

Goal:

To offer high quality multi-lingual services and generate a great customer experience.
